FRIDAY

Rest/Recovery *Use of massage (if not injured)*

Today's about giving your body a chance to chill out and recover from the previous days' activities. Try something light and enjoyable like a 30 minute pool session, frisbee game, or a short game of touch rugby but don't over-extend yourself.

SATURDAY

Club *Pre-Season Game*

OR You can choose from any of the options below to complete this part of the programme

[Warmup](#) and Aerobic Capacity (AC)

Activity Options	Duration (mins)	Intensity (RPE)
Run, Row, Cycle, X'Trainer, Aquajog, Box or Swim Mix into this session the following: <ul style="list-style-type: none"> • Combinations <i>Eg. Cycle then swim...</i> • Changes in pace (resistance) • Fun mini-games and activities <i>Eg. Water Polo, Water Rugby...</i> 	30-50	5-7/10

Anaerobic Capacity ([AnC](#))

Activity Options	Duration (mins)	Intensity (RPE)
Interval Run This session involves the following: <ul style="list-style-type: none"> • 1-2 minutes 'Very Hard - Maximal' running (RPE 8-10/10) followed by 1-3 minutes 'Easy-Moderate' running (RPE 2-4/10) 3-5 repeats over flat v hilly terrain; grass v sand surfaces (beach) • Include 3-4 x 20m sprints from stand start. 	20-30	2-10/10
